Regarding Famine - Bellary - Importation of fodder - Report called for - from Collector.

From A.F.G.Moscardi Esquire, I.C.S., Collector of Bellary.
No.L.Dis.4489 (A)/20/A-1.
Dated the 16th March 1921.

In reply to the Board's Reference No.F.339/21-1 dated the 28th January last, I have to state that the Tahsildars of Hadagalli and Siruguppa who alone had reported that - there would be need for the import of fodder, are now of opinion that there is no need for the present for any import from other places. The present Tahsildar of Hadagalli who is - new to the place reports that, so far as he gathers from enquiry, there is no real dearth of fodder, and that the few who are short of stock would prefer to meet their needs by borrowing from their more fortunate neighbours. As regards Siruguppa Taluk, the Tahsildar reports that there is no need for the Government to import fodder and that the present requirements will be amply met by a liberal grant of loans.
